WORLD BLOOD DONOR DAY 2026

SATURDAY, 27TH JUNE 2026

06:00 PM TO 08:00 PM IST

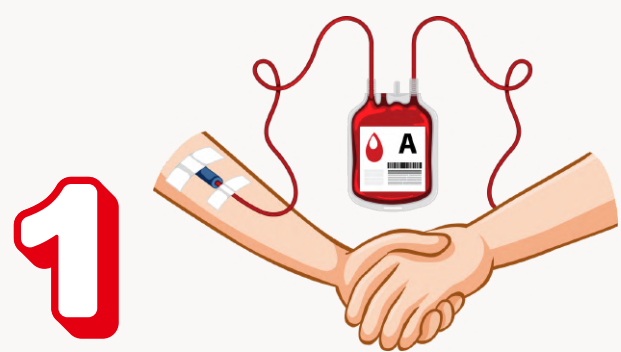

THEME:

ONE DROP OF HUMANITY. GIVE BLOOD. SAVE LIVES

FOCUS: Every drop of blood connects humanity by giving hope and saving lives. Strengthening access to safe blood and encouraging regular voluntary donations ensures that every patient receives the care they need, when they need it.

Highlights:

Voluntary Blood Donation Saves Lives:

Regular voluntary, unpaid blood donation ensures a safe and adequate blood supply for patients undergoing surgeries, trauma care, cancer treatment, childbirth, and the management of blood disorders.

Universal Access to Safe Blood:

Strengthening blood transfusion services and promoting equitable access to safe blood and plasma helps ensure that every patient receives timely, life-saving care.

Community Awareness and Collective Action:

Creating awareness about the importance of regular blood donation inspires more people to become lifelong donors and builds stronger, healthier, and more resilient communities.

Speakers

"The Lifeline"

Voluntary Blood Donation Promotion and Impact

DR RICHA GUPTA

Director Professor & In-Charge
Regional Blood Transfusion Centre,
University College of Medical Sciences and Guru Teg
Bahadur Hospital, Delhi

Demystifying Blood Science - Every Drop Counts

**How Modern Blood Banking Transforms
One Donation into Many Lives Saved.**
