✦ Testimonial ✦

I would love to thank CAHO for the undaunting effort they put to carry the baton of Quality... The advanced CPQIH which was again a life changing activity for me.... With wonderful faculty and excellent people from all over India..it was indeed a very good learning experience... I would recommend all to be a part of this endeavour

DR SHARMISTHA CHATTERJEE

Charnock Hospital, West Bengal, Kolkata

It was an excellent training which has ensured us to upskill knowledge in quality training and implementation.

DR PRADEEP THOMAS

Pathanamthitta, Kerala

The program was well organized, all resource persons enlighten us with their expertise views of every quality parameters , hands on practices gave us confidence . Group projects helped to improve critical thinking.

KUMKUM GOSH

Medical Superintendent, Fortis healthcare limited,
Chennai

The Advanced CPQIH Program is highly regarded for its comprehensive curriculum and its focus on equipping healthcare professionals with the skills needed to drive quality improvement initiatives in healthcare settings. Participants often praise its practical approach and the depth of knowledge gained, making it a valuable asset for advancing careers in healthcare quality improvement.

The organizing team behind the Advanced CPQIH Program is known for its expertise in healthcare quality improvement and its dedication to delivering a top-notch educational experience. Comprised of seasoned professionals and experts in the field, the team ensures that the program is meticulously planned, effectively structured, and continuously updated to reflect the latest advancements and best practices in healthcare quality improvement. Their commitment to excellence contributes significantly to the program's success and the professional development of its participants.
