05th Dec 2025
Hotel Chancery Pavilion - Bangalore

Theme : Empowering healing environments through intelligent climate control

The 04st edition of ACREHEALTH on the “Empowering healing environments through intelligent climate control” is scheduled on 05th Dec 2025, at Hotel Chancery Pavilion, Bangalore.

Time: 09:30am - 05:00pm.

Delegate Fee: CAHO & ISHRAE Members - Rs.750/-, Non-members - Rs.1000

The conference will have the following main topics:

- 1) Air Quality Filtration, Ventilation, Patient Health and Humidity Control
- 2) Life Safety Smoke Control, Emergency Protocols
- 3) AI/ML/IoT/Automation in Healthcare Facilities

This conference extends the strengths of both CAHO and ISHRAE to bring about a cohesion between the Engineer's forum (of CAHO) and ISHRAE, thereby enhancing the knowledge of the healthcare organizations on the air-conditioning systems.

A galaxy of eminent national speakers will be deliberating on the theme's relevance. We are expecting over 500 delegates which will be a mix of hospital owners, Doctors, administrators, quality managers, facility managers, Architects, HVAC & MEP consultants, HVAC contractors, MEP contractors, and others. Presentations, debates and panel discussion will be the highlights. This conference will also provide an excellent opportunity to share views, exchange knowledge, establish collaborations and networking.

CAHO & ISHRAE extends a warm welcome to you and requests you to partner with us towards the successful conduct of ACREHEALTH 2025 in Bangalore!

Venue :

Hotel Chancery Pavilion,
135, Residency Rd, Shanthala Nagar,
