

# Audit of MICU

Group :3

Dr. Lakkhumi Rupa Kumar  
Dr. Devarath Shetty  
Dr. Gnanasekar Thirugnanam  
Mr. Mubeen Ahmed

Reviewed By :  
Dr. Lallu Joseph  
Dr. Uma Shankar  
Ms. Jyothi Ramesh

# STRENGTH

- 12 bedded which included 2 Isolation bed
- Doctors: 1 senior and 1 Junior Doctor.
- Nurses Day Shift: 1:3, Night Shift: 1:4
- 3 Ventilators, 1- Portable X-ray, 1 ECG machine, 1 Defib, 2 Crash carts.

# FINDINGS

- Doctor's and Nursing Initial assessment were incomplete.
- The file was arranged in chronology.
- Few case sheets were incomplete (advice was missing).
- The case sheet were not countersigned by the consultants.
- There were no Caps and Mask at the entry of the ICU.
- No proper signages.
- No proper documentation of the BME maintenance in the ICU.

# SUGGESTIONS

- ICU manual to be prepared and made available
- Intensive Visit to be made available in the ICU
- Signages
- Documentation of medical records
- Improve patient: nursing ratio
- Informed consent should be taken appropriately
- Face mask and caps can be kept at entrance
- Biomedical equipment checklist to be maintained properly
- Appropriate display of clinical practice guideline
