

**CAHO**

Committed to Safer Healthcare

**Biomedical Equipment Webinar Series**  
(An Initiative of Healthcare Engineers Forum)

# KNOW YOUR BIOMEDICAL EQUIPMENT

## Electrosurgical Units (ESU)

### Highlights of the webinar

The focus of this session will be on Electrosurgical Units (ESU) – their working principles, types, safety precautions, troubleshooting, and best maintenance practices. We believe the faculty's expertise in the field of biomedical engineering would greatly enrich the learning experience for the participants.

**25<sup>TH</sup> JULY 2025,**
