About the Event

India's healthcare sector stands at a pivotal juncture, poised for significant growth and projected to reach a market size of \$50 billion by 2025. In recent years, there has been a notable shift towards innovation and technology, with approximately 80% of healthcare stakeholders indicating their intention to increase investments in digital healthcare tools over the next five years. Despite commendable progress, the sector faces formidable challenges in delivering accessible, affordable, and high-quality healthcare to our vast and diverse population.

To foster discussions on leveraging innovation, enhancing healthcare access, and improving health outcomes across India ASSOCHAM is organising the 3rd edition of Healthcare Summit and Awards 2024 with the theme "Revolutionizing Indian Healthcare: Embracing Innovation, Expanding Care, Transforming Outcomes".

The summit aims to foster dialogue on sector challenges, opportunities, technological advancements, and sustainable solutions aimed at transforming healthcare delivery in India. It serves as a critical platform for collaboration, knowledge sharing, and shaping the future of healthcare to ensure equitable access and improved health outcomes across the country.
