Let's evolve towards

Efficient
Effective
Economical
Equitable

healthcare.

Witness the sunrise in diagnostics!

3rd Edition 2024 

CAHOLABCON

We are delighted to invite you to CAHO LABCON 2024, an esteemed Diagnostic Conclave hosted by the Consortium of Accredited Healthcare Organizations (CAHO). This prestigious event is set for April 5th, 2024, at the iconic Biswa Bangla Convention Centre, located in the lively city of Kolkata. Ahead of the main event, insightful pre conference workshops will take place on 4th April at various hospitals and laboratories throughout Kolkata.

The third iteration of CAHO LABCON will centre around the theme, "Diagnostics - A Tool to Make Healthcare Efficient, Effective, Economical & Equitable"

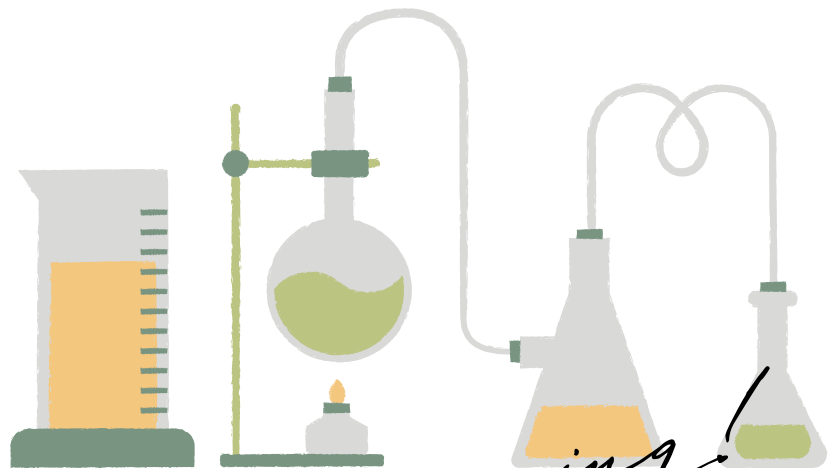

The conference will explore how diagnostic advancements are not only driven by technological precision and scientific accuracy, but also by the compassionate and empathetic approach to make healthcare safer and affordable.

We anticipate an assembly of over 500 delegates who will participate in insightful sessions delivered by both domestic and international experts. Engaging panel discussions, dynamic debates, and enlightening poster presentations will be the focus of the event, supplemented by a lively live Quiz Competition

As an attendee, you'll also have the unique chance to participate in the Mega Industry Expo, designed to showcase cutting-edge technology and products, while encouraging meaningful networking opportunities and fostering strategic alliances within the industry. You can also join CAHOCON on 6th and 7th April at the same location

We're honoured to orchestrate this important event in Kolkata, a city famous for its deep cultural heritage and vibrant healthcare community. CAHOLABCON 2024 is set to act as a pivotal catalyst for learning, collaboration, and personal growth for all participants.

We welcome you to CAHOLABCON Kolkata, where we join forces to delve into the frontiers of diagnostics and make enduring contributions towards the evolution of healthcare excellence.

ABOUT CAHO

A not-for-profit body representing healthcare institutions, diagnostic centres and quality professionals with an overarching aim to promote patient safety through better training for hospital staff, quality through communication skills for the healthcare professional and accreditation in healthcare ecosystem.

Our aim is to systematically infuse & spread the message of quality in healthcare at the grassroot level so as to develop a culture of safety in healthcare organizations. We as an association of healthcare institutions, diagnostics centres and individuals pool our resources for achieving the common goals of promoting quality, patient safety and accreditation.
