

Confederation of Indian Industry

CII TN MedClave Second Edition 2022

Theme : Emerging Processes & Technologies to Enhance Patient Experience

Saturday, 19 November 2022 : Hotel Crowne Plaza, Chennai

Background

Tamil Nadu is on the path to achieving \$1 trillion economy by 2030 and Healthcare sector is one of the key enablers towards achieving this. By 2030, the State aspires to ensure universal access to high quality, effective and affordable healthcare to all.

Based on vital health indicators, Tamil Nadu is already a front runner and is fast emerging as a public health model for the world. Our State is renowned for attracting patients from all around the world, thus leading in medical tourism – an indication of its world class treatment and hospitality. The State has implemented several initiatives and schemes, such as Innuyir Kappom-Nammai Kakkum 48 and Makkalai Thedi Maruthuvam Thittam which continues to have a positive impact on its citizens.

Objective

The objective of the conference is to showcase, promote and highlight the strengths of the healthcare ecosystem of Tamil Nadu and to create a platform for healthcare professionals to share and learn best healthcare practices, network and to progress together.

Conference Sessions

Building the New Healthcare Ecosystem

Leveraging the Potential of Small and Medium Hospitals
