

Once, a prince was born, destined for greatness.
He wanted to live big and to the fullest.
Grand desires & big dreams, and, vision to rule till horizon.
The day arrived to ascend the throne, and he became “The King”.
Yet, in the midst of everything, a solemn truth loomed: "Uneasy is
the head that wears the crown"

If this story sounds familiar, this is for you...

Technology for Smart Hospitals: So that you can live your dreams !*

Dr Naveen Chitkara and Dr Swapan Sood
