## GLIMPSES FROM CAHOCON 2025

## ABOUT CAHOCON 2026

CAHOCON 2026 marks a landmark milestone in the evolution of India's healthcare quality movement — the 10th edition of the flagship annual conference of the Consortium of Accredited Healthcare Organizations (CAHO).

This special edition returns to the vibrant and historic city of Chennai, a city that perfectly embodies culture, care, and capability.

Over the years, CAHOCON has transformed from a knowledge-sharing forum into a powerful catalyst for change — bringing together healthcare leaders, professionals, policymakers, and innovators united by one purpose: to advance quality and patient safety in healthcare.

What sets CAHOCON 2026 apart from its predecessors and other healthcare events is its scale, inclusivity, and forward-looking vision. This year's conference will:

- Feature high-impact scientific sessions led by global experts and national thought leaders
- Conduct pre-conference workshops hosted at leading hospitals across Tamil Nadu
- Offer immersive panel discussions, interactive networking opportunities, and innovation showcases
- Celebrate excellence through CAHO Awards recognizing outstanding contributions in healthcare quality and safety

CAHOCON 2026 is not just a conference — it's a movement that celebrates a decade of progress and sets the course for the next era of transformation in Indian healthcare.

The theme for CAHOCON 2026 — “Tech, Touch, and Trust” — reflects the evolving essence of healthcare in today's world.

### 1. Tech

- Represents the digital transformation redefining healthcare delivery — from AI, robotics, and telemedicine to smart hospitals and data-driven decision-making.
- CAHOCON 2026 will spotlight how technology can be harnessed responsibly to improve efficiency, precision, and accessibility in patient care.

### 2. Touch

- Symbolizes the human connection that lies at the heart of healing.
- Even as technology advances, empathy, compassion, and human touch remain irreplaceable.
- The conference aims to reinforce the message that innovation must enhance, not replace, the human element in care.

### 3. Trust

- Embodies the foundation of all healthcare relationships.
- Trust is earned through transparency, ethical practices, and consistent quality outcomes.
- CAHOCON 2026 emphasizes the shared responsibility of every healthcare professional and institution to protect patient data, dignity, and safety while nurturing confidence in the system.

Together, these three pillars — Tech, Touch, and Trust — capture the holistic vision of CAHOCON 2026: a future where healthcare is intelligent yet humane, efficient yet empathetic, and advanced yet anchored in trust.

## WHY ATTEND CAHOCON 2026 ?

CAHOCON 2026 is a must-attend event for every healthcare professional committed to quality and excellence. Here's why:

### Learn from the Best:

Engage directly with renowned thought leaders, seasoned experts, and trailblazing pioneers in healthcare quality and patient safety — both from India and across the globe. Gain valuable insights from their experiences, case studies, and innovative practices shaping the future of healthcare.

### Stay Ahead of Change:

Explore the latest developments and emerging trends in healthcare technology, accreditation standards, and digital transformation. Understand how these evolving practices can be integrated to enhance patient outcomes and operational excellence in your organization.

### Hands-on Learning:

Take part in interactive workshops and in-depth masterclasses hosted at some of Tamil Nadu's most respected hospitals. Experience practical, real-world training designed to strengthen your skills and equip you with actionable strategies for quality improvement.

### Network & Collaborate:

Build meaningful connections with peers, policymakers, healthcare administrators, and industry leaders. Share ideas, discuss challenges, and form partnerships that can drive collective progress in patient safety and healthcare quality.

### Get Inspired:

Listen to powerful stories of innovation and impact from healthcare institutions and professionals who are redefining patient care. Discover how small changes can lead to big improvements in outcomes, efficiency, and compassion.

### Be Recognized:

Celebrate excellence in healthcare by showcasing your institution's achievements. Participate in CAHO's prestigious awards program and gain national recognition for your commitment to advancing quality, safety, and patient-centered care.

# Partnership Opportunities at **CAHOCON 2026**

## MEDICAL DEVICES

- Showcase innovative technologies enhancing patient care.
- Demonstrate devices through live demos and displays.
- Partner with hospitals for validation and trials.
- Share insights via technical talks or posters.
- Build brand visibility through CAHO publications.
- Network with key decision-makers in healthcare.

## BIOMEDICAL ENGINEERING

- Exchange best practices in equipment safety and maintenance.
- Present innovations in hospital technology management.
- Collaborate on sustainable equipment life-cycle models.
- Showcase smart engineering for efficient healthcare.
- Join CAHO initiatives advancing biomedical standards.

## ACCREDITATION

- Engage with hospitals pursuing NABH, NABL, or JCI standards.
- Share expertise in compliance and quality improvement.
- Highlight achievements in patient safety and governance.
- Network with leaders shaping accreditation excellence.
- Present success stories and quality toolkits.

## INFRASTRUCTURE

- Present sustainable, patient-centric hospital designs.
- Showcase modular builds and infection-safe facilities
- Collaborate with planners and architects.
- Demonstrate energy-efficient and workflow-optimized spaces.
- Feature your projects in CAHO-led discussions.

## ENVIRONMENTAL & SUSTAINABILITY IN HEALTHCARE

- Promote eco-friendly, low-carbon healthcare practices.
- Share results from green OT and waste reduction initiatives.
- Join dialogues on climate-resilient health systems.
- Collaborate on hospital sustainability projects.
- Lead change through CAHO's Green Healthcare Movement.

## PHARMACEUTICALS

- Present your efforts towards ensuring product quality and preventing spurious medication to the management of hospitals and bulk buyers.
- Integrate with healthcare organizations to conduct academic research and efficacy and outcome studies.
- Generate network and direct sales partnerships with large hospitals.
- Explore opportunities for export with our international delegates.
- Sponsor and lead efforts for better healthcare quality for the community and better brand positioning for you.

## Title Sponsor

# INR 15,00,000

(18% GST EXTRA)

### Deliverables:

- 01** Exclusive Recognition
