

CAHO

Committed to Safer Healthcare

Online Certified Crash Course For

Infection Control Professionals (B A T C H - 7)

Infection Control Policies and Guidelines are constantly updated based on the Evidence and Published Reports. To help the Infection Control Professionals stay tuned and updated in their Knowledge, CAHO is Proud to announce a Crash Course which will cover all the Topics Related to healthcare-associated infections, its Surveillance, Prevention, and Topics related to Infection Prevention and Control.

We'll offer an online crash course led by subject experts, with preparatory lectures for those appearing for the exam, running for two months before the exam. Additionally, those who are interested in learning infection prevention and control can also join the course.

The course is not mandatory to apply for examination and its purely optional.
