

PHARM Lead PHARMACY EXCELLENCE PROGRAM

Advancing Medication Safety, Quality & Patient-Centred Pharmaceutical Care
COMMITTED TO EXCELLENCE IN PHARMACEUTICAL CARE

The Pharmacy Excellence Program is a standards-based initiative that promotes medication safety, patient-centred care, regulatory compliance, operational excellence, and continuous quality improvement in hospital pharmacies.

Aligned with NABH Standards, Pharmacy Council of India guidelines, and WHO recommendations, the program supports healthcare organizations in building safe, efficient, and high-performing pharmacy services while recognizing excellence and innovation.
