ABOUT SAKCON 2026

This year, the 5th Edition of CAHO SAKCON 2026, will be held on 11th & 12th September 2026 at the Amity Institute of Public Health and Hospital Administration, Amity University, Noida.

Organized by the CAHO Student Engagement Committee (CAHOSEC), SAKCON is India's premier platform for students, academicians, and healthcare professionals to learn, engage, and grow in the field of healthcare quality and patient safety.

Theme: "**Human-Centred Quality Care with Digital Health and AI for Viksit Bharat**"

Conference Highlights:

- Expert talks, panel discussions & interactive sessions
- Student paper & poster presentation competitions
- Pre-conference workshops & hospital visits
- Focus on patient safety, quality improvement & digital health innovation
- Networking with academicians, healthcare leaders & industry experts
- QualTech (QIMPRO) student competitions & research presentations

Who Should Attend:

Students | Faculty Members | Hospital Administrators | Healthcare Professionals

Join us for an engaging and future-focused learning experience, connect with leaders in healthcare, and become a part of a growing network of young professionals shaping the future of healthcare.

CALL FOR ABSTRACT SUBMISSION

- Develop a safe, equitable, and human-centered healthcare system focused on quality and patient outcomes
- Strengthen preventive care, early screening, and public health to reduce disease burden
- Harness digital health innovations like AI and telemedicine to improve access, efficiency, and personalized care

Themes:

1. Quality, Patient Safety & Operational Excellence
2. Healthcare Technology, Innovation & Digital Health
3. Patient-Centered Care & Experience
4. Preventive Health, Screening & Public Health Outcomes

Last date for Submission of abstract: 1st July 2026

ABOUT CAHO

A not-for-profit body representing healthcare institutions, diagnostic centres and quality professionals with an overarching aim to promote patient safety through better training for hospital staff, quality through communication skills for the healthcare professional and accreditation in healthcare ecosystem.

Our aim is to systematically infuse & spread the message of quality in healthcare at the grassroot level so as to develop a culture of safety in healthcare organizations. We as an association of healthcare institutions, diagnostics centres and individuals pool our resources for achieving the common goals of promoting quality, patient safety and accreditation.

THE CAHO STUDENT ENGAGEMENT COMMITTEE (CAHOSEC)

The CAHO Student Engagement Committee (CAHOSEC) focuses on building awareness, knowledge, and competencies among students in patient safety, quality assurance, and healthcare excellence. It aims to prepare students with the skills needed to improve healthcare standards and outcomes.

The committee provides a dynamic platform for learning, leadership, internships, research, networking, and career development. By engaging students from diverse healthcare disciplines, it fosters collaboration and encourages professional growth.

CAHOSEC strives to nurture future healthcare professionals as champions of patient safety, quality improvement, and continuous advancement. Its flagship initiative, CAHO SAKCON, serves as a premier platform in India for aspiring healthcare leaders.

ABOUT AMITY UNIVERSITY

Amity University is a leading research and innovation-driven institution, ranked among the top 3% of universities globally by QS and Times Higher Education (UK). It is Asia's only not-for-profit university with US Regional Accreditation from WASC (USA) and QAA (UK), reflecting high academic standards.

The university is also recognized for producing highly employable graduates, based on a global survey by Times Higher Education. As the flagship institution of the Amity Education Group, it supports over 175,000 students across more than 400 programs in 90 diverse disciplines.

The Amity Institute of Public Health & Hospital Administration (AIPH&HA) offers specialized programs with a strong focus on research and innovation. With significant citations, global collaborations, and grants from organizations like ICMR and DBT, the institute prepares future leaders in public health and healthcare management.

ABOUT THE CONFERENCE

- Pre-conference & experiential learning: Pre-conference activities and hospital visits
- Knowledge exchange & expert engagement: Expert talks, panel discussions, and interactive sessions
- Competitions & academic excellence (QIMPRO – QualTech Prize in Education): Student paper/poster presentations, faculty published research, and paper presentation competitions
- Focus areas & networking: Emphasis on patient safety, quality improvement, digital health innovation, and networking with academicians, healthcare leaders, and industry experts
