**22-25
AUGUST**

ELIGIBILITY

Open to healthcare professionals, students, interns, residents, nursing professionals, allied health professionals, and faculty members.

MEME SPECIFICATIONS

- The meme must be original, creative, and relevant to the competition theme.
- It should communicate a clear patient safety message through humour, satire, or visual storytelling while maintaining professionalism and respect.
- Offensive, discriminatory, or insensitive content will not be accepted.
- The meme may include images, illustrations, graphics, and brief text.
- Maximum text: 30-40 words.
- File format: JPEG, PNG, or PDF.
- Recommended size: 1080 × 1080 pixels (square) or equivalent high-resolution format.
- Maximum file size: 10 MB.
- Each participant may submit one entry only.

SUBMISSION REQUIREMENTS PARTICIPANTS SHOULD SUBMIT:

- Meme file
- Participant's Name
- Designation/Course
- Institution/Organization
- Email ID and Contact Number
- Meme title (optional)

RULES

- The meme must be the participant's original work and should not have been published or awarded previously.
- The content must be factual, respectful, and appropriate for a professional healthcare audience.
- Plagiarism or unauthorized use of copyrighted material will result in disqualification.
- AI-generated content should be declared if used and must comply with the organizer's policy.
- The organizing committee reserves the right to use winning entries for educational and awareness campaigns with due acknowledgment.
- The decision of the judges will be final and binding.
