

# Virtual Event

## GLOBAL HEALTHCARE EMERGENCIES

We have invited back two of our keynote speakers from the ISQua 2021 Virtual Conference to speak on the challenges for industry leaders to address healthcare emergencies.

**Event One: Climate Emergencies –  
Role of the Health Sector with  
Dr Frances Mortimer**  
09:30 - 11:30 GMT

**Event Two: Challenges and  
Opportunities for the SEIPS Model  
with Prof Pascale Carayon**  
15:00 - 17:30 GMT

### Our Awesome Speakers:

**Frances Mortimer**  
Medical Director, The Centre  
for Sustainable Healthcare

**Pascale Carayon**  
Founding Director at Wisconsin  
Institute for Healthcare Systems  
Engineering
